The Louisiana Legislative Black Caucus Mourns the Loss of Iconic Statesman Ken Carter of New Orleans

Baton Rouge, Louisiana. The members and staff of the Louisiana Legislative Black Caucus would like to extend our deepest sympathy to Senator Karen Carter Peterson and the Carter family for the recent passing of her father, Ken Carter.

Ken Carter was a statesman, a committed public servant, and a highly respected attorney who made tremendous contributions to the City of New Orleans and the legal profession. He will be deeply missed by all who had the fortunate privilege of his counsel, association and friendship.

Again, on behalf of the Louisiana Legislative Black Caucus – please continue to provide compassionate support to our legislative colleague and continue to keep the entire Carter family in your prayers. Information about services and celebration of his life will be forthcoming.

###

Established in 1977, the primary purpose of the Louisiana Legislative Black Caucus is to raise the quality of life for those underrepresented, the indigent and working people through legislation, education and economic development.
